The Director/ Coordinator, Program Coordinator, Centre For Human Rights and Development, Batticaloa

A Note of Gratitude

It is a great pleasure to express our sincere thanks to the Coordinator and the whole team of CHRD for the support towards our people at Koralai Pattu North Divisional Secretariat division.

As you all know that our people mostly affected by both Tsunami and war and due to that some people have lost their legal documents and some were not registered their Birth, Marriage and Personal identification. We have faced many challenges to bring these people to collect legal documents and many were not interested to obtain that.

however, when we were in struggle your organization have extended fullest support to mitigate the issues to conduct mobile services at village level and helped us to regularize/legalize unregistered marriages, births and Personal identification through NICs.

Therefore thanking you again and we hope, with joining you to continue this programme in our division for our needy people.
